

LaDisc

GLOBE
CASTAN LIGHTING

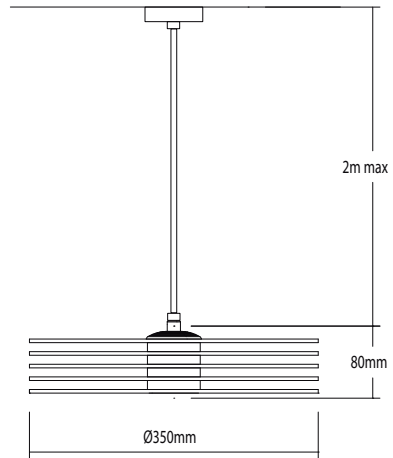

LaDisc, created for relaxing and intimate environments, lights up and directs light through a translucent core and between the discs where it bounces soft and warm to deliver pleasant ambiance atmospheres.

The LaDisc collection incorporates a suspended model in two different diameters and a table lamp with optional rechargeable battery.

“We wanted to design a different and original collection; decorative and timeless objects for exclusive contract and habitat projects.”

LaDisc 35

Portable light fixture made of 350 mm diameter and 4 mm thickness MDF discs joined by an opal PMMA central diffuser that filters light for the creation of warm and personal environments.

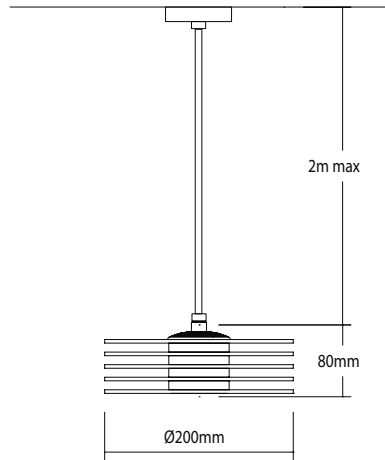

COB 4W - 360 lm 2700° K

 beige

 brown

LaDisc 20

Suspended light fixture made of 200 mm diameter and 4 mm thickness MDF discs joined by an opal PMMA central diffuser. Its compact dimensions contribute distinction to environments requiring small light points.

COB 4W - 360 lm 2700° K
