

THIN

GLOBE
CASTAN LIGHTING

Thin is the minimum expression of a pendant luminary. Designed to have a point of light of variable angle, the adjustment of the beam is made through the vertical displacement of the main body.

Its elegant design, combining aluminum and brass, stands out for the small size of only 18 mm in diameter.

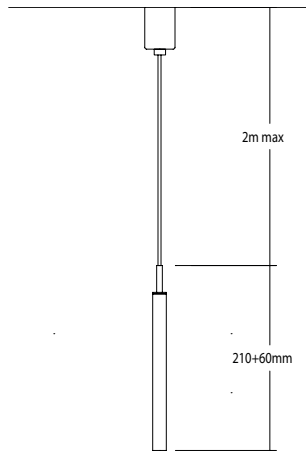

Simplicity and beauty to interact with light.

THIN

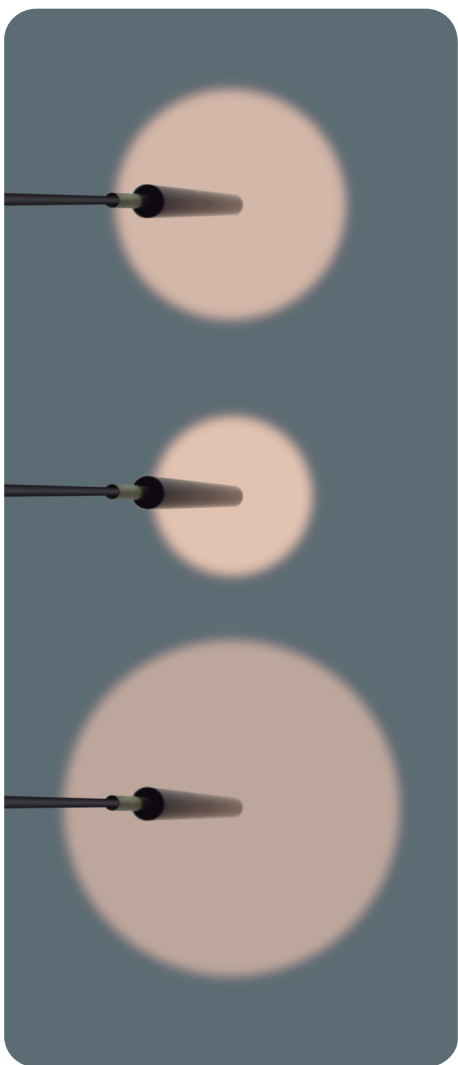

Thin allows you to adjust the beam of light depending on the atmosphere you want to create. Functionality and minimalist design to illuminate and decorate.
